Dear Steve:

Just a note to thank you for your brilliant work on the JANE radio spots. I'm so excited about them.

I also wanted to let you know how much I enjoyed your CD. I am not easily impressed, and I was *very* and I currently have your album in slot number 4 of my CD changer.

Thanks again for your work and for sharing your music with me. I hope to see you again soon.

All my best,

Jane Pratt

Take care.
