

**THE MOST
LISTENED-TO
NEWSMAN IN THE USA
ALSO DELIVERS
THE NEWS FLUENTLY
IN ENGLAND,
GERMANY, ITALY,
HONG KONG
AND KOREA.**

**ALL IN THE SAME
LANGUAGE.**

If you're like any of the 24,758,000* Americans who tune in every week to hear **Paul Harvey News & Commentary**, you probably already know he's the most listened-to broadcaster in America. With his unique slant on world, national and small-town events, his instantly recognizable delivery, his uncanny ability to draw listeners in, and his signature "Good day!", he's a veritable American institution.

But maybe you didn't know that the award-winning **Paul Harvey News & Commentary** is heard in over 120 other countries all over the globe. In fact, we can safely say that Paul Harvey is the most listened-to man on the planet.

And who knows who else is listening in... out there?
